Spring is a great time to improve your game and fitness outdoors! This unique clinic is designed for those with some tennis experience and is taught in a relaxed atmosphere. Proper movement, stroke production, and strategy are addressed. Instruction also focuses on developing balance, strength, agility, and flexibility. Each class includes a warm-up, drills, play, and a cool down.

Limit of 6 students per clinic.  
Additional clinics may be added to accommodate those who wish to participate.  
Please note — All health and safety protocols are followed.
